In view of the clarification sought by the many of the bidders, It is to state that the:

- 1) Consultant/ bidder must submit, one copy of the complete set of Technical Proposal documents uploaded in Karnataka Public Procurement Portal before the due date & time of opening of Technical Proposals. – Reference 4.3 of the Data Sheet.
- 2) Further it is noticed that many of the consultants/bidders are not able to fill the break-up of the cost of the bid price quoted in Financial Offer on e-procurement portal of Karnataka. In such cases the consultant/bidder has to offer the cost of the bid price in financial offer on-line on e-procurement portal of Karnataka, However the break-up along with one copy of the Financial Form – Section -4 standard forms (as updated in the Addendum-1 Form- 4C -Revised) has to be submitted in a sealed(intact) cover along with Technical Bid only. The bidder has to note that the sum of break-up so given should exactly match with that of cost of the bid price quoted in Financial Form on-line. {Any discrepancy found in Cost of bid Price quoted in Financial Offer on-line and Total of break-up submitted as stated above, the price quoted on line will only be considered}
