

CORRIGENDUM-1

Date:16.12.2022

Sub: Corrigendum1 for Signaling outdoor and indoor works with Distributed Electronic interlocking (EI) at Yesvantpur Jn. in connection with doubling of Yesvantpur-Channasandra section of Bangalore Division

In the above Tender Notice No. **K-RIDE/DL/S&T/13/2022 Call-2; Date: -03.12.2022**, few discrepancies were noticed and the same is required to be corrected. The details are given below:

| Sl. No | Description | As published | Revised |
|--------|---------------------------------------|--|--|
| 1 | Section 8B Technical specification | The tenderer shall submit the offer with the breakup of cost of the individual items (i.e., EI Cards, Design of EI, EI Racks, Relay Racks, Operator VDU, Maintenance VDU, Embedded PC, OFC/Media Converters, wiring, communication equipment, testing, commissioning etc) as required for commissioning of EI as per enclosed sketch. Any increase in quantity of items quoted or any requirement of additional items other than that shown in the breakup will be supplied by the contractor FREE OF COST. NOTE: <i>Tenderer has to quote the rates accordingly, as per the enclosed tentative SIP of Huskur station. The calculation for 15% spare IO/Ports will be based on only sketch enclosed along with the tender document.</i> | The successful tenderer after issue of LOA shall submit the breakup of cost of the individual items (i.e., EI Cards, Design of EI, EI Racks, Relay Racks, Operator VDU, Maintenance VDU, Embedded PC, OFC/Media Converters, wiring, communication equipment, testing, commissioning etc) as required for commissioning of EI as per enclosed sketch. Any increase in quantity of items quoted or any requirement of additional items other than that, shown in the breakup will be supplied by the contractor FREE OF COST. NOTE: <i>Tenderer has to quote the rates accordingly, as per the enclosed tentative Sketch of Yesvantpur station. The calculation for 15% spare IO/Ports will be based on sketch enclosed along with the tender document.</i> |
| 2 | Section 9 Schedule E Item 2 | Supply of Essential Spares @ 10% on all kinds of EI module/cards, special relays and DC-DC converters subject to a fractional quantity to be rounded off to next higher digit to be supplied for the Electronic Interlocking against the item No. NS1 of Annexure A2. The list of SPARE items with unit rate, number and total cost should be detailed by the contractor. Inspection by RDSO | Supply of Essential Spares @ 10% on all kinds of EI module/cards, special relays and DC-DC converters subject to a fractional quantity to be rounded off to next higher digit to be supplied with at least minimum one. The list of SPARE items with unit rate, number and total cost should be detailed by the successful tenderer after issue of LOA. (Inspection by RDSO) |
