INDEPENDENT AUDITOR'S REPORT**To The Members of Bengaluru Integrated Rail Infrastructure Development Enterprise Limited****REPORT ON THE AUDIT OF STANDALONE FINANCIAL STATEMENTS****Opinion**

We have audited the accompanying financial statements of **BENGALURU INTEGRATED RAIL INFRASTRUCTURE DEVELOPMENT ENTERPRISE LIMITED** ("the Company") which comprise of the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss, Statement of changes in equity and Statement of Cash Flows for the year ended on that date and notes to the financial statements, including a summary of significant accounting policies and other explanatory information

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st Mar 2023, its Profit/loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significant in our audit of financial statements of current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Information other than Financial Statements and Auditor's Report thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Board's Report including Annexure(s) but does not include financial statements and our auditor's report thereon.

Our opinion on financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge is obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring

the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. User roles under security controls with access rights yet to be implemented.
2	Whether there is any restructuring of an existing loan or cases of waiver/write off to debts/ loans/interest etc. made by a lender to the company due to the company’s inability to repay the loan? If yes, the financial impact may be stated. Whether such cases are properly accounted for?	There are no cases of restructuring of any loan or cases of waiver/write off to debts/loans/interest.
3	Whether funds (grants/subsidy etc.) received/ receivable for specific schemes from Central/State Government or its agencies were properly accounted for/utilized as per its term and conditions? List the cases of deviation.	As on the Balance Sheet Date no funds (grants/ Subsidy etc.) has been received by the entity.

b. Additional Sub-Directions:

- I. All items with regard to Cash and Bank balances as per Annexure-1 shall be verified and the cases of specific non-compliances to be reported. - **Verified and Found Correct.**
- II. Details of unexplained balances/balances operated under suspense head may also be examined. – **Verified and no such cases found.**
- III. Confirmation of balances of trade receivables, trade payables, advances and balances of similar nature - **Yes.**
- IV. System for monitoring the execution of works vis-à-vis the milestones stipulated in the agreement is in existence and the impact of cost escalation, if any, revenues/losses from contracts, etc., have been properly accounted for in the books – **As on date no works has been started. Hence we could not able to comment on this.**

ANNEXURE-C REFERRED TO IN PARAGRAPH 3 UNDER THE HEADING “REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“The Act”)

1. We have audited the internal financial controls over financial reporting of Bengaluru Integrated Rail Infrastructure Development Enterprise Limited (“the Company”) as at March 31, 2023, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

3. Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting

Meaning of Internal Financial Controls Over Financial Reporting

6. A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that
 - (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
 - (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our Opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Bengaluru Integrated Rail Infrastructure Development Enterprise Limited (referred to as "the Company") is incorporated on 06th day of January 2021 under the Companies Act, 2013, in the State of Karnataka, India (CIN No. U60230KA2021SGC142876). The registered office of the Company is situated in Bangalore.

The Company is a wholly – owned subsidiary of "Rail Infrastructure Development Company (Karnataka) Limited - K-RIDE", which is a Nodal Agency for ensuring necessary Co-Ordination and Smooth implementation of identified railway projects and for monitoring progress of implementation and report to Government of Karnataka.

The Company is formed as SPV by K-RIDE (Nodal Agency) to undertake Bengaluru Sub-urban Rail Project in Bangalore, Karnataka.

Note 2 : Significant Accounting Policies:**2.1 Functional and Presentation Currency:**

The Financial Statements are presented in Indian Rupees (INR), which is the Company's functional currency.

2.2 Basis of Accounting and Preparation of Financial Statements:

The financial statements of the Company are prepared in accordance with the Generally Accepted Accounting Principles in India ("GAAP") under the historical cost convention using the accrual method of accounting and complied with the mandatory Accounting Standard notified by Central Government of India under the Companies (Accounts) Rules, 2014 read with rule 7 and section 133 of the Companies Act, 2013. Further, the Guidance Note/ Announcements issued by The Institute of Chartered Accountants of India (ICAI) are also considered wherever applicable, as adopted consistently by the Company. The financial statements of previous year ended on 31st March 2022 is for a period from 06th Jan 2021 to 31st March 2022, being first year of incorporation and hence the comparison with the current year ended 31st March 2023 is not feasible.

Current v/s Non-Current classification: All Assets and Liabilities have been classified as Current or Non-Current as per Company's normal operating cycle and other criteria set out in Schedule III to The Companies Act, 2013. The company has ascertained its operating cycle as 12 months for the purpose of classification of assets/liabilities into current and non-current.

2.3 Use of Estimates:

The preparation of the financial statements is in conformity with Indian GAAP, which requires that the management make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of financial statements and the reported amounts of revenue and expenses during the reported period. Although such estimates are made on a reasonable basis taking into account all available information, actual results could differ from these estimates and such differences are recognised in the period in which the results are ascertained.

2.4 Cash and Cash Equivalents:

Cash and cash equivalents include cash in hand, bank balances and deposits with original maturities of three months or less and that are readily convertible to known amount of cash and cash equivalents and which are subject to an insignificant risk of changes in value.

2.5 Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.6 Property, Plant and Equipment:

Property, Plant and Equipments are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Subsequent expenditure related to an item of Property, Plant and Equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing item of Property, Plant and Equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts are charged to the statement of profit and loss for the period during which such expenses are incurred.

An item of Property, Plant and Equipment is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising on de-recognition is recognised in the Statement of Profit and Loss.

2.7 Depreciation and Amortization:

Depreciation on Property, Plant and Equipment is provided to the extent of depreciable amount on the Written Down Value (WDV) Method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Further in cases where the depreciation on the assets have been fully written off, the residual value of 5% or the value continued in the books are carried forward without applying further depreciation on the same.

Depreciation on individual assets acquired for a value less than (or) equal to Rs.5,000/- is depreciated at the rate of 100% taking into consideration the commercial life in the year of purchase itself & not capitalised. Mobile handsets to employees is depreciated over a period of 3 years as per company's policy.

The useful lives of assets and the manner specified in Schedule II to the Companies Act, 2013 is as per the table below:

Asset Description	No. of years
Plant and Machinery	15
Office Equipment	5
Computers	3
Furniture and Fixtures	10
Employee Mobile handset costing more than Rs.5,000/-	3

2.8 Intangible assets:

Intangible assets (Computer Software) acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized over their estimated useful life on written down value method as follows:

Asset Description	No. of years
Computer Software	3

2.9 Impairment of tangible and intangible assets:

At each Balance sheet date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount. If the carrying amount of the asset is greater than its recoverable amount, an impairment loss is recognised in the profit and loss account to the extent carrying amount is greater than recoverable amount.

2.10 Borrowing costs:

Borrowing costs that are attributable to the acquisition, construction or productivity of qualifying assets are capitalised as part of the cost of such assets. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

2.11 Taxes on Income:

Income Tax comprises the current tax provision and the net change in the deferred tax asset or liability in the year. Current income tax expense is determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax assets and liabilities are recognized for the estimated future tax consequences of temporary differences between the carrying values of the assets and liabilities and their respective tax bases. Deferred tax assets are recognized and carried forward to the extent that there is reasonable / virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized. Deferred tax assets and liabilities are measured using substantially enacted tax rates as on the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rate is recognized in the income statement in the period of enactment of the change.

2.12 Earnings Per Share:

Basic Earnings per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.13 Provisions and Contingencies:

A provision is recognized when the Company has a present legal or constructive obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities are not recognized and, if any, are adequately disclosed in the notes to accounts.

Contingent Assets are neither recognized nor disclosed in the financial statements.

2.14 Employee Benefits:
