Dear Sir,

Further to the above cited letters, we are herewith submitting Geotechnical Factual Reports for 10 nos. of GTI boreholes of Section-01 and Section- 03 as tabulated below:

| SI no. | BH ID       | Section | Structure |
|--------|-------------|---------|-----------|
| 1      | BH MI 13/59 | 1       | MIB       |
| 2      | BH RU 13-66 | 1       | RUB       |
| 3      | BH RU 13-67 | 1       | RUB       |
| 4      | BH F 13+900 | 1       | Formation |
| 5      | BH MI 14/10 | 1       | MIB       |
| 6      | BH MI 25/62 | 3       | MIB       |
| 7      | BH MI 25/79 | 3       | MIB       |
| 8      | BH F 25+300 | 3       | Formation |
| 9      | BH MI 25/92 | 3       | MIB       |
| 10     | BH RU 25/94 | 3       | RUB       |

These reports include all necessary data and findings as per requirements. The Geotechnical Interpretative Reports (GIR) will be submitted sequentially in line with the enclosed geotechnical factual reports.

This is for your kind information and records.

Thanking you and assuring our best at all times, we remain.

Yours faithfully,  
for **LARSEN & TOUBRO LIMITED**

**Jaspreet Singh Gill**  
Project Manager

**Encl:** Geotechnical factual reports as stated above.

**Cc:** The General Manager, Corridor-4, K-RIDE.
